

Build an app in Grizzly Men's Tennis App

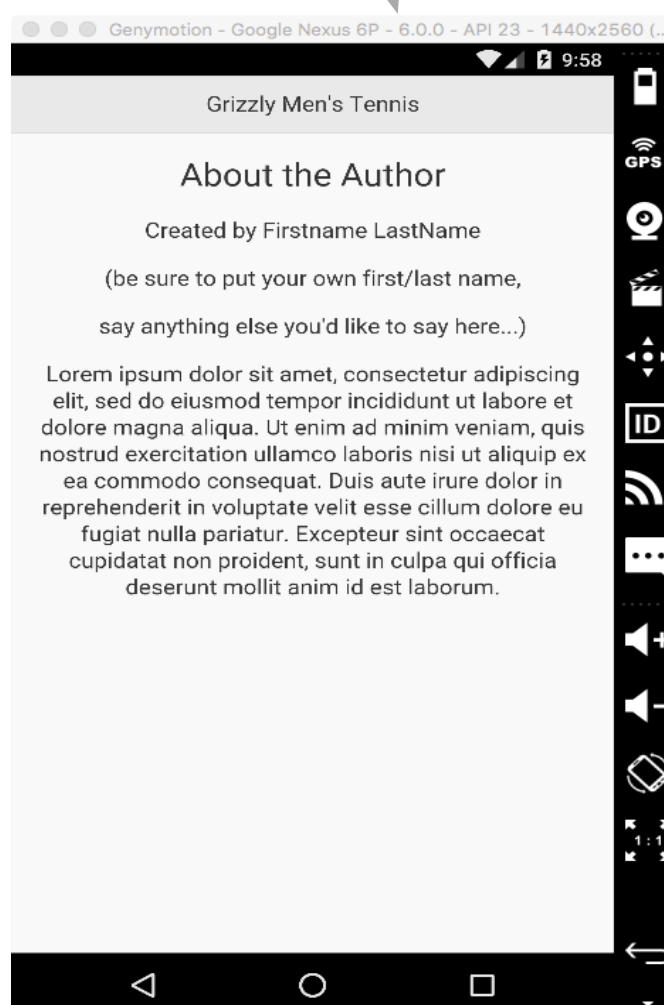

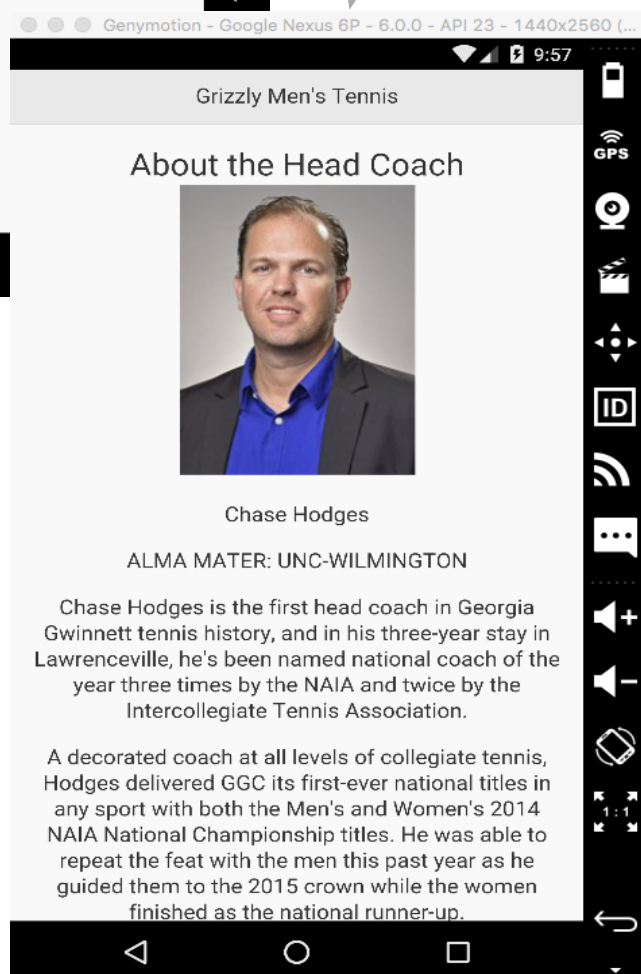

cordova
that implements
the following
screens

The team image
must scale to fit
within the screen.

The buttons
must route
to each
screen as
shown

You must use the
two image assets
provided. Your
pages should look
exactly as shown

Customize the
about page
with your own
info. You
must submit a
build able
Cordova
project with
an executable
apk file
